Human Resources Department
Myokinetix

East Hanover, NJ

Dear Human Resources Department,

I am contacting you today because I am interested in the media intern position for the Myokinetix physical therapy that I learned about on Indeed. One of my personal career goals is to benefit the lives of the needy and I also have experience in taking and editing photos and videos due to past working experiences.

I can contribute to Myokintix with a prominent attendance record, and experience in using multiple social media platforms, namely Twitter and Instagram, providing a worker state of mind with a heavy sense of responsibility.

My interest in the position stems from my sense of selflessness and experience in the fields required. However, I ultimately look forward to working alongside your company because I want to build my communication skills with future work partners. In addition to this, I've taken an interest in your company's mission and would be delighted to play and part.

Lastly, I would be looking forward to scheduling an interview sometime. As for now, unless there are some unforeseen circumstances, I'll be available from 5:00 pm to 9:00 pm from Monday to Thursday, and 8:00 am to 7:00 pm on Fridays and weekends. It'd be a pleasure to discuss further matters there.

Sincerely,

Aboubakary Nimaga
